TORONTO'S PREMIUM MIDTOWN DELI

OUR STORY

Zelden's Deli and Desserts may be the newest delicatessen in midtown but we have a deep connection to the Toronto deli scene going back to the 1980's.

We learned the trade from Mama Z, the matriarch of our family's successful Thornhill deli, Zelys Deli. When you have our pastrami, you are tasting the spicy and delicious results of her hard work and passion, passed down to us!

As residents of Deer Park, we have been aware for some time that our community needed something that could bring both authenticity and fun innovative options to the table.

We are the perfect blend of classic deli dishes and more modern dishes aimed at evolving the style. Housed in what can only be described as a jazzy, vintage-modern locale -- we are the evolution of Deli. We look forward to serving the neighbourhood!
